From the Desk of Rabbi Marmon

In honor of what amounts to the Torah's birthday on Shavuot, I'd like to take the opportunity to mention some upcoming and ongoing learning opportunities:

First, our ongoing "Nach" (Prophets and Writings) class meets Mondays at 4 pm. By the time you read this, we'll be approaching the end of Joshua, the first book following the Torah in our Bible. This means you can join us just in time for Judges, which I like to describe as "the Wild West of the Bible." The class offers the opportunity to encounter and engage with parts of our Bible that are not chanted in services and have become less familiar to recent generations. These parts of our tradition challenge us to think deeply about both what our sacred texts are trying to tell us, and which messages from our ancient traditions we choose to glean or winnow as moderns.

Adult Ed

In addition to Monday's adult education, sessions will also be held on Thursday, from 4:00 to 5:00 on June 8, 15 and 22.

Congregation Meeting - Wednesday, June 7th at 7:00pm

Attendance requires all financial obligations have been met. Slate of Board candidates will be sent by email prior to the meeting.

Open Letter to the Jewish Community- Congregation Shaara Tfillle needs your help!

Congregation Shaara Tfillle, your synagogue, is a **beit tefilah**, a house of prayer. It is the place where Jews come together for community prayer services. Among the services we host regularly is a Monday and Thursday morning minyan maintaining Torah reading and allowing members and visitors to say Kaddish in memory of departed loved ones during the week.

This means that, twice each week, you have the opportunity to feel the satisfaction of helping make the minyan, keeping your shul fully functional, and bringing comfort to fellow Jews remembering loved ones during mourning or yohrzeit. Not only that, but following a service of around one hour on routine days, you are invited to share a bagel and lox breakfast with the other lovely people who have made the day's minyan. It's a win for your head, your heart, and your stomach!

You will be making a tremendous contribution to the Shaara Tfillle community if you resolve to join the minyan even once or twice a month. Wouldn't you commit just a few hours each month to enrich your day, help your friends, and sustain your kehilah? You'll be so glad you did.

See you in shul!

Serving the greater Jewish community since 1911

Office Hours: Office hours are 9:00am-1:00pm.

Summer hours begin May 26; office will only be open Tuesday - Thursday. Office will also be closed May19, 26 and 29. Please call 518-584-2370 before coming over.

Carole’s Request: Email communications to the

office and for Scroll submittals are requested to be sent to the synagogue email address at saratogajcc@albany.twcbc.com . The deadline for Scroll submittals of text is the 10th of the month prior to the next Scroll (i.e. June 10th for the July/August Scroll).

Covid Controls: If you will be attending services

in-house, we ask that you bring your own Tallis and Yarmulka. Proof of vaccination is required to enter the building. Masks are optional.

Communications

- We are trying to communicate more with our members and friends by email. We have been sending out weekly if not more often, email messages. If we do not have your email address please send it to saratogajcc@albany.twcbc.com so we can add it to our contacts.
- We have a phone tree that sends out messages from the synagogue. If you are not receiving the messages, please call the office and provide Carole with your phone number.

When You Need Something

- If you know of a congregant who would like a home or hospital visit, call Carole in the office. Cynthia Flax and Roberta Gottesman have generously started a sunshine outreach to our friends in the synagogue.
- Call the office at 518-584-2370 if you have any questions about any of our programs.

Memorial Candles & Birthday Greetings

- The Congregation sends out a reminder letter with a memorial candle when you have a yahrzeit for a loved one. We also send annual birthday greetings. Let the office know if you would prefer to not receive candles, or are not receiving reminder letters/ birthday greetings.

Remembrance/Dedications

- If you would like to honor your loved ones who have departed, we offer Memorial Plaques in the Sanctuary. They are a permanent remembrance for those who are no longer with us. The cost is \$500 per plaque. In addition, one can dedicate a Prayer book to honor a special occasion (\$36) or a gold leaf in the vestibule’s Tree of Life (\$200). For more information, please call Carole in the office.
- As our Mi Sheberach list grows, we are not sure if some of our congregants and friends still need to be on the list. Please call Carole so that we can update our list and keep it current.

Cemetery

- The Cemetery Rules and Fees document of Congregation Shaara Tfillle spells out eligibility, rights, and fees. It also sets guidelines for use of the building and sanctuary during funerals. Call the office at 518-584-2370 if you wish to receive an electronic copy of the document.
- Our Cemetery is open year round. We ask that you be careful when visiting. The walkway can be slippery.

Our Ongoing Appreciation Abounds!

We want to express our utmost gratitude to the Alfred Z. Solomon Charitable Trust for a generous grant which will let us purchase and install 2 commercial quality web cameras in the sanctuary and 1 in the social hall. This will allow people to experience improved access both in the building and virtually to our services and programs.

We also extend our continuous appreciation to the Jewish Federation of Northeastern New York, as well, for their generosity in awarding a substantial grant allocation to us. These funds give us the ability to host educational, informative and entertaining programs and events that enhance Jewish culture, history, traditions, holidays and more.

Shalom to all – a cemetery report. Over one year ago, all the headstones were cleaned. Most of them now look like new. The walkways have been reconditioned and a few new ones added. All the grounds in the old and new sections have been improved. A new storage shed is in place. Some ground levels have been modified to help with water runoff after a rain. The ground is being treated to help with new grass growing. The fence on the west side of the cemetery is being treated and painted. The fence adjoining the property on the south side is being evaluated for improvement or replacement. Lots of work continues to be done - it's an ongoing job that has to be done. When you check the cemetery out you will feel proud of how it looks. It's a big mitzvah to help when you can. Thanks to our cemetery committee. The work continues in a good way. Thank you all for your help. Come take a look and see for yourself.- *Shalom, Sid Gordon*

Special Celebration in Honor of Sid and Helen Gordon

On Sunday, May 7, 2023, 2 PM - 4 PM, Congregation Shaara Tfillle/The Jewish Community Center of Saratoga Springs will honor Sid and Helen Gordon with a festive appetizer and dessert reception. This celebration has two equally important purposes: to honor Sid and Helen for their dedication and contributions to our Congregation and to raise funds for the synagogue.

An invitation with details has been sent by 'snail mail.' Please contact the office at 518-584-2370 if you plan to attend but have not responded to the invitation.

Jewish Cultural Festival At Congregation Shaara Tfillle
Wednesday, June 28 - 7:00 pm

Celebrate this year's Jewish Cultural Festival with a movie shown on our large screen and new projector.

Federation is excited to share that we will host a spring North Country event, once again, in person on Wednesday evening, May 24 (time and location TBA). We had a great opportunity to secure Elana Broitman, Senior Vice President, Public Affairs at Jewish Federation of North America, as our keynote speaker.

A little on our speaker and topic...

The Jewish Voice in the Public Square: How Federation Lay Leaders help ensure our Communities Flourish

For over 100 years, the Jewish Federation system has protected the Jewish community and built support for local and global communal priorities. This includes communal security, protecting our most vulnerable, combatting antisemitism, and supporting Israel. For the North American Jewish Diaspora to be one of the safest, most prosperous, caring, and inclusive Jewish diasporas in history, we must impact the increasingly complex public square in which we live.

Our challenges are myriad: Antisemitism is on the rise, and even our children encounter it online and in school. We live in a polarized political environment, putting at risk services to our most vulnerable. And greater divisions in our culture have put a strain on our relationships with other communal groups.

For us to meet these challenges and continue to grow, we must call upon the unique partnership of deeply invested lay leaders and knowledgeable professionals whose work ensures that we pass the laws, create the partnerships with other groups, and advance our ability to combat antisemitism no matter where it happens.

Please join Elana Broitman, Senior Vice President, Public Affairs at Jewish Federation of North America, for an inside look at how you can make a difference in your community and at the national level to foster flourishing Jewish community.

Broitman's work has focused on cybersecurity, national security, human rights, and refugee issues. Previously, she worked for Global Poverty Project, U.S. Department of Defense and New America. Broitman came to the U.S. from Odesa, Ukraine at the age of 9 in the mid-1970s.

New Yahrzeit Board

The time has come to add a new Yahrzeit Board to the Memorial Wall in the Sanctuary. Sadly, we are running out of space on the existing boards. The cost for the Yahrzeit Board and its installation will be approximately \$14,300.00. A donation in this amount will allow us to purchase and install a new Yahrzeit Board that matches the others already on the wall and provides an opportunity for an individual or family to memorialize a family or family member in a permanent and meaningful manner. Please consider making this significant and lasting donation. For more details, please contact Al Kasin or Judith Ehrenshaft. Thank you for your consideration.

From the Desk of Rabbi Marmon*

Second, as a complement to our exploration of less familiar parts of our Bible, I have also scheduled a brief examination of some of the key figures of our post-biblical tradition on three consecutive Thursday evenings in June (see the calendar). Primarily, we'll learn about some of the Talmudic figures who laid the rubric for how we understand our Bible and how we experience our Judaism to this day, and, time-permitting, we'll include some outstanding post-Talmudic figures who shaped the development of Judaism over the centuries toward our own time. While our Bible is the wellspring from which Judaism ultimately flows, the Talmud is the aqueduct that brings those waters into our lives in useful, functional form. And more recent sages are, I suppose, pipes and sink basins and shower heads and drains – it sounds a little less poetic, but hey, it's just a metaphor. Seriously though, just as you won't much deepen your understanding of Brexit by reading the Magna Carta, you can't gain a deep understanding of contemporary daily Jewish life from Bible alone. Our sages over the centuries bridge that gap.

Finally, on Erev Shavuot itself (May 25th at 8 pm this year), we will have a Tikkun Leil Shavuot (תיקון ליל שבועות), an evening of learning Torah in celebration of the anniversary of Sinai. Long-standing custom is to stay up all night learning on the eve of the holiday to forestall the possibility of oversleeping on such a momentous occasion. We'll get just a taste of the custom with a roughly two-hour program at a time that is hopefully late enough to get the flavor, but early enough to be reasonable for everyone. Remember, Shavuot is a traditionally milchik holiday, so you can use as much milk as you like in your tea or coffee to keep you up – and there is a very good chance of seeing some cheesecake or danish to nosh in the bargain.

Much like Shabbat services or our Monday and Thursday minyans during the week, these occasions are opportunities for you to not only enrich and enliven your own lived Jewish experience, but also to socialize with and support your friends and fellow congregants as well. In that vein, I would be remiss not to remind you that in addition to Tikkun Leil Shavuot, there will be yontov services on May 26th and 27th (with Yizkor on the latter) and your attendance as your schedule permits will add meaning to your own holiday and help keep the shul functioning as such. I look forward to seeing you there!

Congregation Meeting

Wednesday, June 7, 2023 @ 7:00 pm

Please join us at our annual meeting. We will be voting on our Board of Directors for 2023 - 2025.

Note: You must have all of your synagogue obligations paid in full to attend and/or vote. If you have any questions, please call Carole in the office, 518-584-2370.

The list of candidates will be emailed at least 2 weeks prior to the meeting, to those who are in good standing. If you are not able to attend and need a proxy ballot, please contact Carole and request one.

YOU ANSWERED THE CALL!

On behalf of Sisterhood's tikkun olam - repairing the world - project, I write to thank you for your generosity, for helping to fulfill a "wish list" for many in the Mechanicville community. We collected and delivered several hundred dollars worth of much needed goods which could not have been done without your support and your concern for the less fortunate in our community. You enabled us to provide comfort and relief to families and seniors in need of assistance during difficult times. I am touched beyond words....
