SAMMY DAVIS, JR.: I'VE GOTTA BE ME

Film & Discussion

A thrilling, enlightening and redemptive documentary that examines the lesser known aspects of the extraordinary dancer, singer, impressionist and actor Sammy Davis, Jr. Star-Studded interviewees pay tribute to the charismatic, chameleon entertainer who blazed a trail across the shifting tides and flash points of 20th century America. Defying societal norms concerning interracial romance, religion and political affiliation, Davis courted controversy many times, but always with grace and honesty. This film finally restores the deserved respect that has eluded the entertainment legend for so long.
