TIMELINE OF WOMEN’S HISTORY 1776-2022 (ages 10 and up) **text**

For more than 300 years, women have fought for equality. This timeline highlights many of them, starting with Abigail Adams, who in 1776, told her husband to “remember the ladies” and not give all the power to men when creating a new government for the American colonies. You can learn about women like Susan B. Anthony and Elizabeth Cady Stanton who fought for women’s right to vote, Hillary Clinton, who became the first woman to run for president, and many more.
